The [Italian Sea Group](#) and [Giorgio Armani](#) have announced the design and construction of a new 72m Admiral motor yacht. For Armani it will be the biggest yachting project so far, but he was designing his two personal yachts [Mariù](#) and [Main](#).

"This agreement, of which I am extremely proud, is a further confirmation of our way of being able to realize unique projects with brands of excellence made in Italy that share our values," comments Giovanni Costantino, Founder & Ceo of The Italian Sea Group. "Armani is synonymous with timeless elegance and sophistication and its stylistic vision will also increase our stylistic sensitivity. The new motor yacht, which combines technology and excellence in design with the distinctive features of Armani and its deep identity will give us great satisfaction".
