PRESS RELEASE

THE ITALIAN SEA GROUP ANNOUNCES THE SALE OF A NEW ADMIRAL 66 MT YACHT

Marina di Carrara, 5th July 2021 - The Italian Sea Group S.p.A., (“**TISG**” or the “**Company**”), global operator in the luxury yachting sector, is glad to announce the sale of “Project JAS”, a 66 mt Admiral yacht based on the GC Force model named after the Company’s founder.

Throughout the realization of the project, TISG will work together with a distinguished team of international professionals.

The **interior** design, characterized by a modern and bright style, will bear the signature of the renowned design studio Mark Berryman Yacht Design, while the innovative exteriors, which stand out for the impressive floor-to-ceiling windows, are entirely curated by The Italian Sea Group Style Centre, guided by Architect Gian Marco Campanino.

One of the most distinctive characteristics of this new project is surely the peculiar location of the owner cabin, located in a reserved area of the *sundeck* and characterized by its bright spaces and its floor-to-ceiling windows, which allow an exclusive view during navigation. The helideck spaces, only accessible through the owner cabin, become a private corner uniquely dedicated to the Owner.

“This new sale” – ***commented Giovanni Costantino, The Italian Sea Group Founder & CEO*** – “further confirms our position among the most important international players in the luxury yachting sector within the 60 mt to over 100 mt segment, and highlights our ability to interpret and satisfy even the most demanding request in terms of customization, performance, qualitative standards, and engineering attention towards the environment”.
